Public Planning Workshop for “New” Carter Museum

The Breckenridge Heritage Alliance is asking for public input on the design of the new Edwin Carter Museum and Interactive Learning Center in Breckenridge.

The Carter Museum – the oldest permanent museum in Colorado - is currently undergoing a rehabilitation and will re-open to the public in the spring of 2009. The design firm, Exhibit Design Associates (EDA), has been selected to plan, design and fabricate new exhibits for the museum.

The general public is invited to participate in a planning workshop with EDA on April 3rd to brainstorm the major themes and exhibit concepts of the new museum.

Details of the workshop are as follows: April 3rd from 3:30-5 p.m. at the Breckenridge Police Station on Valley Brook Rd. Please RSVP if you would like to attend by calling Beth Johnson at 970-453-4493 or by emailing beth@breckheritage.com
